

# The Overture

## September 2017

Welcome back, choir families! I am ready for another year of praising God through music! And I have planned some fun vocal and instrumental activities for doing just that.

As a preview for the months to come, I include important dates in these newsletters. I usually pass out a paper copy and you can also find it on the CUMC website under the children's ministries link.

HERE are your dates for the next few months:

Choir Begins! September 14, 6:30-7:30.

\*September 21- No choir. I will be at our older daughter's wedding rehearsal.

\*October 26<sup>th</sup>- Halloween party. Wear your costume for our parade through the church!

\*October 29<sup>th</sup>- we perform in the 10:30 Sanctuary Service.

\*December 10<sup>th</sup>- we perform in the 10:30 Sanctuary Advent Service.

Please note that the children will be singing at the 10:30 service throughout most of the year, with special performances at the Family Christmas Eve Service and Ash Wednesday. The children's cantata will be in April 2018. Gaining greater music learning and working as a choir team are the focus of CUMC Children's Choir.

I welcome the fall season and the beginning of choir!
