## Dear Church Family,

I sincerely enjoyed this past Advent Season and enjoyed sharing with you the concept of Advent being a pilgrimage, which means the season had a purpose of growing spiritually in our relationship with God and each other. I enjoyed sharing the wisdom of our Biblical Guides and Mentors throughout the season as we considered their thin places and our own thin places where we encounter God in deep and meaningful ways.

Another great celebration of the Season was the fact that, on December 21<sup>st</sup>, we welcomed six new members into our church family. We have three others ready to join our church but were not available that day. We welcomed into our fellowship Ed and Kathy Robbins, Michael and Jennifer Boutin, Carol Axford and Micah Ross. Some of these folks have worshiped and fellowshipped with us for years, while others have been with us a few months.

They come from Roman Catholic, Lutheran, Presbyterian, and nondenominational backgrounds. Three are retired, while the others include a middle school music teacher, an IT specialist and a store manager. They all have a couple of things in common—they sought a church in which to grow in their faith and in fellowship with you, our Central Church family! They also bring new life to Central Church through their experiences, gifts and graces. I encourage you to continue welcoming Ed, Kathy, Michael, Jennifer, Carol and Micah to Central Church.

Yesterday, January 4, we had six new visitors to Central Church and I was impressed with conversations within our membership inquiring of each other whether or not they had met those who joined us for worship for the first time. I spoke briefly with a few of those visitors and was told that they were made to feel welcome.

I pray for a blessing upon our church as we enter this New Year and I ask that God continue to bless us with new people with whom to share the love of Christ. We truly are a place to connect. God bless you, my Church Family, and I will see you in worship!

Because of Christ,

**Pastor Jack**

## Support Our Michigan Area of the UMC

### By Pastor Jack

This past November, we began a financial campaign to support our Ministry Shares, which are the way in which we connect with other United Methodist Churches in the state of Michigan and around the world. These funds support the salaries of those who work for Michigan Area of the UMC, as well as our missions, both here in the United States and across the world. It is the responsibility of each local congregation in our Michigan Area Conference to support the ministry and missions of our denomination.

It was a large goal to raise \$30,000 by the end of the year. We have 130 giving units in our church; if 100 of those giving units gave \$300, we would have made that goal. So far, we have raised \$4999. That was for last year's asking. I want to encourage you to once again prayerfully consider that giving goal as we begin a new year. As we enter this New Year, we are not in a new budget year for our denomination. Please consider helping us catch up for last year and be aware that we need to increase our giving in 2026. If you want to support this past fall's campaign, make your checks out to Waterford Central UMC and write "Ministry Shares 2025" in the memo. Thank you for your generosity in supporting our local church and denomination.

## Food Pantry Blessings

Thank you to everyone who gave to Central's Food Pantry this Christmas. Word got out, and in addition to your generosity during our Reverse Advent Challenge, we received donations from the Goodfellows, the Mott Dance Team, and donations from folks who attended Carols & Beer. So, now we have a good problem! We're looking for a few volunteers to help us sort and organize the food so that we can get it to families in our community. If you are willing and able to help out, please contact Coach Patty ([pstroup@waterfordcumc.org](mailto:pstroup@waterfordcumc.org)) or (248) 681-0040.

## Thank You
