

## UPCOMING IN WORSHIP

Sunday, January 25<sup>th</sup>. Pastor Jack continues our *Attitude is Your Paint Brush* series with *The Attitude of Compassion*. Worship is in person or online at [Live.WaterfordCUMC.org](https://Live.WaterfordCUMC.org)

## Dear Church Family,

As was announced on January 11, The Reverend Mary Gibson will become the Lead Pastor of Waterford Central United Methodist Church as of July 1, 2026. I am pleased and excited for this new leadership for Central Church! I have known Mary for decades and worked closely with her on our Board of Ordained Ministry when Reverend Jim Kellermann was the pastor here at Central Church! The world gets smaller and smaller as we continue life's journey and learn of the inter-connectedness of relationships with one another.

This is the second time Rev. Gibson has followed me in our United Methodist Itinerant System; she became the Associate Pastor of Grosse Pointe United Methodist Church where I began my ministry as the Associate in that church. I have a great deal of respect for Mary's ministry and I know her skills and deep love for Christ and the church as she will bring new perspectives and a creative spirit to our mission and ministry.

I know firsthand how difficult it is to follow a beloved pastor, having followed Rev. Kellermann after his thirteen years as your pastor. By the time I came to be with you as your pastor, I had learned that a congregation's capacity to love, care for and support their previous pastor is a good sign for the new pastor. I am confident that you will continue your love, care and support of Rev. Mary as she comes to Central Church after my thirteen years as your pastor. What a coincidence!

I pray for a blessing upon our church as we enter this time of transition and I ask that God continue to bless us with new leadership with all the new possibilities that will follow. God bless you, my Church Family, and I will see you in worship!

Because of Christ,

***Pastor Jack***

### Please Welcome Eric D. Johnson, CAGO

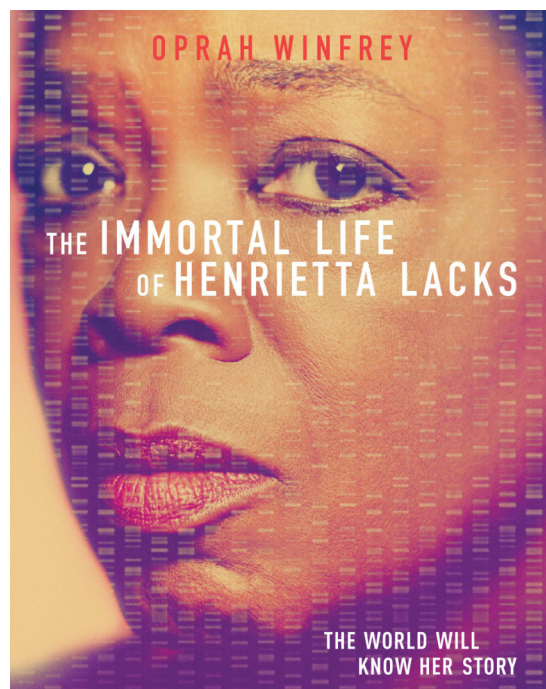

Hello Central Church! I'm so happy to be with you and serving as your new organist/choir accompanist. Here's a brief bio-overview so we can get to know each other a little better.

I grew up in the Clarkston area and I'm a graduate of Clarkston schools and Oakland Community College. I lived on Lake Oakland with my parents Don & Joann, and brother Shawn. My neighbor, Mrs. Beadle, was a church organist and I took lessons from her starting at age 7 until I was 15. I learned so much from her! She had a piano and a Hammond B3 organ in her living room with the remote Leslie speaker, so much fun to play! I began occasionally substituting as a church organist when I was 17, and this led me to be the organist at Joslyn Ave Presbyterian in Pontiac for a number of years until Community Presbyterian came calling with a youth choir position, then organist, then Director of Music and Organist. I served at Community Presbyterian for 25+ years, 23 of which I was the Director/Organist. While I was at Community I studied more organ as a "30 something" adult student with Dr. Craig Symons at First United Methodist, Royal Oak and with Glenn Miller at Kirk in the Hills Presbyterian, Bloomfield. This prepared me with many more skills and knowledge and led me to join The American Guild of Organists. I served on the board for a year and took/passed two of the comprehensive organ exams they offer. I studied for a year for each one, they are not easy! The letters after my name stand for "Colleague of the American Guild of Organists." It is the Guild's equivalent to a bachelor's degree in organ performance.

I was married to my wife Lisa in 1998 while living in our first little house on East Beverly St. in Pontiac. We moved to Lake Orion in 2002 and started our family. We have two beautiful and bright daughters. Our oldest, Celeste (22) graduated from Lake Orion HS with honors, attended dental college and now works at a local orthodontics office. Our youngest, Nina (19) graduated from Lake Orion HS with honors and member of the National Honor Society and is currently attending Northern Michigan University as she studies environmental science. Lisa and I have both worked for Oakland County (that's where we met) for 30+ years. We enjoy camping and boating trips in the summer, group family trips with our friends, and gardening for Lisa, hunting (turkey and deer) for Eric. We really enjoy all our beautiful state has to offer in every season.

Yours in Christ and Song,

Eric
